

Cortellis Competitive Intelligence

# Stay a step ahead of your competitors

## Leverage competitive intelligence spanning the entire drug development lifecycle

Gaining a competitive edge in drug development requires monitoring the current pipeline while keeping an eye to the future. Cortellis Competitive Intelligence™ delivers timely intelligence to survey the entire development landscape and provides comprehensive analysis to forecast trends, threats and opportunities.

Sales forecasts, pipeline and competitor data from discovery and preclinical through launch

Exclusive analytics that use statistical modeling and machine learning

The most information about the early phase (preclinical) pipeline and start-up companies

The most extensive drug pipeline and competitive database

## Make critical portfolio decisions backed by accurate, comprehensive pipeline and competitive intelligence

### Robust data

**77K+**

77K+ pipeline drug programs across the development lifecycle

**19K+**

19K+ pipeline drug programs in discovery or pre-clinical development

**194K+**

194K company profiles

**9M+**

9M+ worldwide patents

**1.4M+**

1.4M+ reports from 1,800+ contributing brokers

**160+**

160+ detailed Disease Briefings

**1,300+**

1,300+ SWOT analyses

**1,600+**

1,600+ drug forecasts

### Expert team

**650+**

650+ chemists, biologists and editors with a medical background

**4-7+**

4-7+ years relevant experience to inform manual content curation

"Through Cortellis Competitive Intelligence, we have the most reliable and updated source of drug information to drive our Marketing and Business Development strategic choices."

Department Head, Alfasigma S.p.A.

## Unlock the hidden insights in data

Perform due diligence, competitive analysis and portfolio planning. Identify new competitors sooner. Find and invest in early-stage assets before your competitors do with a data-driven foundation that is used by 88% of the top 50 global pharmaceutical companies.

### Targeted intelligence

Focus on the information you need, including drug sales and forecasts, broker reports, event transcripts and venture funding.

### Global coverage and access

Access support and analysis in 20+ languages and reports from 200+ conferences across 20+ countries.

### Comprehensive searches

Find all the data you need with one search – organized, indexed and exportable to multiple formats.

## Make better decisions and accelerate innovation

Contact a representative to learn how Cortellis Competitive Intelligence can accelerate innovation for your organization, or visit [clarivate.com/cortellis](http://clarivate.com/cortellis)

## Access trusted intelligence integrated across the R&D lifecycle

Make data-driven decisions with speed and certainty across the drug and device development lifecycle with the Cortellis suite of life science intelligence solutions – including customized consulting and services delivered to your specific requirements. Only Cortellis delivers the insights needed to accelerate innovation with confidence.
